

TOUGH TECHNOLOGY.

Lindsay Broadband Announces the Appointment of Avery Frey Inside Sales Marketing Coordinator

It is with pleasure we welcome Avery Frey to Lindsay Broadband in the position of Inside Sales Marketing Coordinator. Prior to joining Lindsay, Avery held the position of Customer Service Consultant with Compton Communications, a partner company of Rogers Communications Canada Inc. A recent Graduate from Fleming Collage here in Peterborough Avery holds a Business Administration – Marketing Diploma.

“We are very pleased that Avery accepted our offer to join the Lindsay Broadband team and to take the lead role of inside sales and marketing said David Atman President of Lindsay Broadband”.

“We welcome Avery as a key member of our growing team of professionals assembled at Lindsay Broadband to deliver next generation technologies and network solutions for our ever expanding worldwide customer base”.

About Lindsay Broadband Inc.

Headquartered in Peterborough, Ontario, Canada, Lindsay Broadband Inc. empowers HFC networks with solutions that provide for profitable business services. Solutions include HFC powered and strand mounted optical and DOCSIS Wi-Fi hotspots, EMTA’s, cable modems, AC/DC power supplies, and advanced high powered LTE small cell backhaul gateway products. RF equipment includes a complete line of subscriber, MDU and line amplifiers, indoor and outdoor optical nodes, hard line passives and UPS systems. Our fiber optic end to end FTTx, RFoG and GEAPON equipment solutions include engineering design, technical support and training from Headend/Central office to the customer premise. Lindsay markets and sells to the worldwide telecommunications market.
